DCI Management Advisory Group

On your departure from the DCI Management Advisory Group, I would like to take this opportunity to commend you on your service during the period October 1986 to December 1987. Your appointment to the DCI MAG is an indication of the high regard in which you are held by senior managers in the Directorate of Science and Technology.

I appreciate the work you put into MAG activities during the time you served on it, even though the work load of your regular assignment continued to grow. Your consistent contribution to the MAG's activities was especially valuable. Please accept this memorandum as a token of my personal thanks for your interest and enthusiasm.
